February 2022

## Monthly Updates

### **NAC Annual Meeting 2022**

The Full Committee met on February 3-5 to kick-off the Twenty-Third Session of the NAC

### **NAC Strategic Initiatives 2022**

The NAC's Strategic Initiatives for 2022 are Equity, Diversity, Inclusion; The Future of the Profession; & Climate Action / Sustainability. It is our firm belief that focusing on these three Strategic Initiatives will enable us to tackle issues pertaining to Associate Members' Career Advancement.

### **NAC Full Committee Representation**

The NAC will be represented by:

Regional Associate Directors (RADs)

\*\*9 Regions still represented in 2022

State / Territory Associate Representatives (STARs)

### **The NAC & Licensure 2022**

Additionally, during Annual Meeting, the NAC engaged in critical conversations related to the Path to Licensure; specifically studying the hardships related to Education, Experience, & Examination.

## Year Ahead

### **NAC Work Groups 2022**

STARs & RADs will assemble into NAC Work Groups. Our Work Groups for 2022 are:

**The VALUE Work Group:** focused on Value of Associate Members through the lens of Equity, Diversity, and Inclusion in Architecture Profession

**The Turquoise Agenda:** focused on empowering Associate Members to be actively engaged in Sustainability & Resilience efforts

**Knowledge: Grow & Lead:** focused on Leadership Development of Associate Members

### **Work Group Mission / Goals 2022**

Each Work Group will issue a Mission Statement at the end of March 2022. At this time, more information will be shared about the NAC Committee Work ahead! Please stay tuned!
